Together we can co-create a new narrative of conscious evolution by:

- Building a global community and creating a culture of peace
- Restoring ecological balance to nourish all life and mitigate the effects of climate change
- Engaging in social and political transformation by calling for a more conscious democracy
- Promoting health and healing by acknowledging the profound mind-body-spirit connection
- Supporting research and education that optimizes human capacities
- Encouraging integrity in business and conscious media

This is Our Moment of Choice.
